**"WHEN YOUR EGO GETS CHECKED AT
THE DOOR" (MATTHEW 6:12-15)**

1. If you hurt me, and then I hurt you neither one of us wins! You have to be willing to let some things go, instead of holding them in!

2. If Jesus didn't hold grudges..... why are you? As you grow in your walk, you forgive not to win but to be free!

3. Don't just pray for God to have people apologize to you, pray to God as well for you to apologize others!

4. You never realize what you have until what you have, turns into what you had! Some people never want to change until it's too late! They want to remain the same, they want to act the same, they want to talk the same, and they want to be the same thinking that I don't need to change, because I've done nothing wrong.

5. When we don't forgive don't expect the Lord to not deal with you! The Lord won't leave you alone if you don't forgive, the Lord won't let you rest if you don't forgive. If you don't forgive, don't expect God to forgive you!
