

Broadway MBC - Tree Of Life Inspirational Word

1 Kings 2:2-3 CSB

"As for me, I am going the way of all of the earth. Be strong and be a man, [3] and keep your obligation to the LORD your God to walk in his ways and to keep his statutes, commands, ordinances, and decrees. This is written in the law of Moses, so that you will have success in everything you do and wherever you turn,

The Late Theologian Oswald Chambers once said this: "Your priorities must be God first, God second, and God third, until your life is continually face to face with God."

We all know that life is going to end, and we all know that life will make us see that life won't always be the same. We see that life is going to come to a conclusion, but what is good to know is that we all are going to pass from generation to generation because generations don't remain the same. Every generation is going to change no matter who it is, generations grow and adapt from methods, technology, structures, and operations every generation is different.

The main thing is this.... Don't forget the Lord! No matter what happens, the main thing is the Lord, and we can't forget the Lord, but we must also remember that we can't share what we don't follow! Don't lift up the name of the Lord if you aren't following the Lord, but when you follow the Lord that is when you see that the Lord is taking care of you, that is a reminder that we know that the Lord will always make a way for us. The Lord will always take care of every generation, and we know that the Lord will keep us safe, and the Lord will always show up for us.

As long as we keep the Lord first, and as long as we let the Lord lead and guide us we know that He will take care of us all! God will always take care of us, and God will never forsake us and we can always trust in Him! That's our charge and duty to always share the Gospel so that every generation will know that they can depend on the Lord!
