**Jonah 1:3 ESV**

**But Jonah rose to flee to Tarshish from the presence of the LORD. He went down to Joppa and found a ship going to Tarshish. So he paid the fare and went down into it, to go with them to Tarshish, away from the presence of the LORD.**

**The Late Great Actor & martial Arts Specialist Bruce Lee once said this: "Mistakes are always forgivable, if one has the courage to admit them.**

**There is something about knowing that the Lord is present that does give you reasons to be responsible! You know that when we are in this life, we have to be careful of the steps that we do make because in this life that we have and live, it is on us to make sure that we are always doing what the Lord tells us to do, and that we are serving the Lord in every capacity, and that we are doing what the Lord is telling us to do! We can't be ahead of God, or don't listen to the Lord because that is when we mess up!**

**You and I are the products and specialists of messing up! Yes... you and I mess up when we fall into the trap of not always doing what the Lord says! Just because we want to do things doesn't mean we should, and just because we say things doesn't mean we should because we have to watch how we operate, because when we don't operate the way the Lord tells us to operate, that is when we fall into dangerous traps.**

**We all have to be held accountable for the things that we do, and it is not anybody else's fault, but there are things that are our fault and we must not forget that! There is a penalty in not surviving and living the right way, and let us not be on the outside! Watch where you go, and watch what you try to do, because when you try and desire to do something that the Lord didn't tell you to do, it can and will hurt you in the end! Don't hurt yourself!**
