

Pastor G. Chris Brown

Sermon Takeaways

Sermon:

"A TREE THAT DOESN'T DIE BUT PROSPERS"

Psalms 1:3

1. You can & will prosper when you want to!! It happens by letting the Lord lead you!
2. You grow when you follow God, and you grow away from things and people because you're your own tree!
3. You have to grow yourself, and don't allow anybody to make you miss or lose your blessings!
4. Follow the word, & God will always let you prosper!
5. Don't push the Lord to cut you down!
