## “When The Wrong Lips Touch Your Face”

Matthew 26:47-50

Judas allowed anger, to break the code and his relationship with Jesus! Be careful what you do, when you are angry!

Just because a kiss feels good, doesn't mean it's good for you!

Be careful making choices, you didn't pray about!

Everybody that comes to Church doesn't have Jesus!

Judas didn't just kiss Jesus, but it was what was in his spirit that made the kiss more deadly!

You have to let go, move on, and accept the fact, some people will never apologize for hurting you!

Some of the main people, that smile in your face are those that will set you up!
