

Broadway MBC - Tree Of Life Inspirational Word

[Mark 1:15 ESV](#)

and saying, "The time is fulfilled, and the kingdom of God is at hand; repent and believe in the gospel."

Dr. Ricky D. Turner, who pastors "Oak Ridge Missionary Baptist Church - Kansas City, KS" once said this: "When Jesus is the house stuff starts happening."

Preaching the word of the Lord is very important and very real, and as we look at life and look at our lives it is important to make sure that we are always receiving the word of the Lord, but that we also understand that the preaching of the word will change us, and will indeed bring us closer to Him! The word of the Lord makes us want the Lord, and the word of the Lord makes us turn to the Lord because we understand that we need to turn to Him! We can't live without the Lord, but we do need the Lord and we need to make sure to always acknowledge the Lord!

Preaching makes us want more of the Lord, and preaching will indeed make us have to always wake up, and see that the importance of the Lord is something that we can't ever ignore. We can't ignore the Lord, and we can't ignore what the Lord will do for us but we also have to do what is right, and we have to make the right turn, and the right turn is to always make sure that we are living the way that the Lord desires for us to live. We can't forget that the Lord is with us, and that the Lord is always giving us the right words and the right direction but it is up to us to take it!

We have to make sure that we always are doing what the Lord is saying, and what the Lord is telling us to do! Don't neglect the word of the Lord, and don't neglect the Lord because as we walk with the Lord we have to always seek Him! Don't ever stop living for the Lord, and make sure to always serve the Lord and make sure to always look up to the Lord, because God will always clean us up!
