## Sermon Takeaways

### Sermon:

**"A FISHING TRIP  
TO REMEMBER"**

**John  
21:5-14**

1. God can do for you in a second, what you can't do in your lifetime!
2. We should always worship the Lord, because the Lord allowed us to go from empty to full!
3. We have a responsibility to go get the fish! The fish aren't coming to us, but we have to go get them!
4. Always give God the credit!
5. We come to Church for Jesus & not people!
