Mark 4:39 ESV

And he awoke and rebuked the wind and said to the sea, "Peace! Be still!" And the wind ceased, and there was a great calm.

The Late Theologian St. Augustine once said this: "Oh God, to know you is life. To serve you is freedom. To praise you is the soul's joy and delight."

Praising the Lord has many meanings, and everybody can have a multitude of meanings to praise the Lord for! When we praise the Lord, and when we worship the Lord we do know that God has done much for us, and because of the power of the Lord we do know that the Lord will always make ways for us. Look at how much you follow and love Christ, and when you see how much the Lord means to you it will make you praise the Lord!

We praise the Lord because we know that the Lord never forsakes us, and we praise the Lord because we know how much the Lord means to us. As you follow the Lord, and as you serve the Lord, your relationship with Christ is what makes worship so special, and because of worship and because of the love that we have for Christ it will make us always give the Lord praise! The Lord always makes ways for us, and we should be glad that the Lord solves every problem!

Don't forget what the Lord has done for you, especially when you know the storms that you have been through and because of the storms of what you have gone through be glad that the Lord is still there! Storms come but Jesus is our Savior, and because Jesus is our Savior we know that storms won't stop us because we know Jesus is here! Jesus is with us, and since we know that Jesus is with us, we will always praise and worship knowing that Jesus is with us!
