**The Late Preacher & Theologian Charles Spurgeon once said this: "Now I will say this to every sinner, though he should think himself to be the worst sinner who ever lived: cry to the Lord and seek Him while He may be found. A throne of grace is a place fitted for you. By simple faith, go to your Savior, for He is the throne of grace."**

As we live this life, and as we continue to trust in the Lord we know that the Lord is in charge, we know that the Lord rules, and we should make sure that we are always seeking and choosing Jesus! The tragedy of life, and the tragedy of looking at scripture is that people have chosen people other than Jesus!

How sad and unfortunate, that people choose a man over Divinity! As much as we live, and as much as we go through, it is good for us to make sure that we know who we can count on, who we can depend on, and who we do need. We need Jesus, and we need to always have Jesus because we know that Jesus is our keeper, we know that Jesus is our everything, and we know that Jesus will never fail us!!

The Savior is our Savior, and as we continue to live and navigate through this season, in which we celebrate what has happened on Calvary, and we know that we serve a Resurrected Savior, I pray that none of us never miss out on choosing Jesus! I pray that we take it upon ourselves to share the good news of Jesus Christ, and that we always lift up His name! Jesus is our Savior, and let us always lift up His name!
