[Psalm 119:174 ESV](#)

[I long for your salvation, O LORD, and your law is my delight.](#)

[The Late Great Theologian Charles Spurgeon once said this: “When your will is God's will, you will have your will.”](#)

As we enter 2025 the Lord has allowed us to have another year on His earth, and in this year it is important for us to make sure that we are always following the Lord and should be committed to the Lord, because walking with the Lord isn't always easy but when we walk with the Lord we do know the power of following Him! The Lord is good to us, and we should return the favor by being good to Him, and when we are good to Him and when we serve Him that is when we know that the Lord indeed has us, and because the Lord has us let us stay with Him! Stay with the Lord!

I believe this will be a great year, but also this year will certainly I'm sure present challenges as well but don't forget the Lord is the one that has called us to be holy, and to live holy. We are called to be holy, we are called to be righteous, and we are called to follow the Lord and let us follow the Lord and never waver from that commitment. It is our job and duty to follow the Lord, because the Lord knows what we need and we all need Him!

Don't forget the Lord, and as you and I go through this year we should have a spirit of gratitude and a spirit of thankfulness because of what the Lord has let us experience. The Lord has let us and allowed us to experience so much, and because of the goodness of the Lord in our lives let us always be faithful to Him! We serve a faithful God, and because God is faithful to us let us always remain faithful to Him!

God is good, and let us be ready to live and thrive in 2025!
