**[Psalm 95:1-2 ESV](#)**

**[Oh come, let us sing to the LORD; let us make a joyful noise to the rock of our salvation!](#)**

**[\[2\] Let us come into his presence with thanksgiving; let us make a joyful noise to him with songs of praise!](#)**

**The Late Theologian D. L. Moody once said this: “I don’t care where it is, what part of the world it’s in, if we have a praise church we’ll have successful christianity.”**

As we look at our lives, and as we view our lives we know that we can praise the Lord at all times, and we should thank the Lord for the ability to praise the Lord because we know that it is always good to praise the Lord! Look at our world, and we should be glad for life and food! I know that we love to eat, but there are many people in our world that don’t have anything to eat, and it is something that we shouldn’t take for granted, but we should be glad that we do have something to eat.

We know that there are people across the world that are struggling to eat, struggling to find a decent meal, and struggling to eat clean. We see that Flint, Michigan still has unclean water as well, and not only should we be thankful for what we have, but we should appreciate the ability to serve others as well. We should never not take what we have for granted, and we should also be thankful that we have the ability to serve the people as well because of God’s goodness!

Let us always praise and worship the Lord, and when we praise the Lord, and when we worship the Lord we know that it will always give us assurance and hope that we know, that the Lord will always take care of us! God will take care of us, and we are always the better because of the Lord taking care of us, and let us serve each other! Thank you God for your blessings!
