**"WHEN YOU CATCH THE RIGHT EYE"
(RUTH 2:5-8)**

Pastor G. Chris Brown

1. You have to have the right character! Your character will either open doors, or your character will close doors but it is on you!

2. When you are building something real, you don't have time to focus on anything else that is negative and that is not helping you grow! You have to keep on staying in your lane!

3. Don't force yourself on anybody! Let the Lord send the right people to you, instead of you trying to force people into your life that God didn't send!

4. God will always open doors for us, when we are following His plan! God knows how to give us favor, that we don't have to force but that He gives us for our lives to be strong and pleasant!
