[Matthew 27:54 ESV](#)

Theologian D. A. Carson once said this: "The entire Bible pivots on one weekend in Jerusalem about two thousand years ago. Attempts to make sense of the Bible that do not give prolonged thought to integrating the crucifixion and resurrection of Jesus are doomed to failure, at best exercises in irrelevance."

Let us never forget what is significant about this season, and that is that when we look at the power of our Savior and the power of the Resurrection we see that the power of the Lord rests in our Savior! We love the Savior, and when we love the Savior we understand the power of the Resurrection, and we know how blessed we are because we have a Savior that lives and is powerful! We know that the Lord is real, and because we know that Jesus is powerful, and Jesus is forever!

We have a forever Savior, and because we have a Savior that is forever and eternal we know that we can always trust in the Lord, and because we trust in the Lord we know that God makes the difference! We know that we have so much to praise Him for, and we do see that we have so much to live for, and we have so much to praise the Lord for because we know that the Lord keeps us, and the Lord has power that nobody else! God is powerful, and because the Lord is powerful we can and will praise the Lord, at all times because we know that the Gospel is all about Jesus!

Thank you Jesus for being our Resurrection!!!
