[Psalm 119:1,126 ESV](#)

[Blessed are those whose way is blameless, who walk in the law of the LORD! \[126\] It is time for the LORD to act, for your law has been broken.](#)

The Great Actress Angela Bassett once said this: “It's important to surround yourself with good people, interesting people, young people, young ideas. Go places, learn new stuff. Look at the world with wonder - don't be tired about it.”

I love this quote, and I believe that it speaks to us that in the times that we are living it is important to make sure that we surround ourselves with the right people and things! When we follow the Lord, and when we serve the Lord we have to understand that we have to follow the right path, and when we follow the right path we get the right results. We have to be in the right path, and as we look at life around us we are living in a time that we need to really make sure that we are seeking the Lord!

We must always seek the Lord, and we need to get back to the Lord and hold fast to the Lord, and when we hold fast to the Lord we are going to be led in the right path! We have to be led in the right path when we follow the Lord, because our world is not following the Lord and the Church has to be the ones that live out the commandments of the Lord. The word of the Lord will sustain us, and we need the word of the Lord to lead us and direct us.

As we live every day we need to be real with our commitment to the Lord. Time is out for being fake, but we have to be real and we have to make sure that we are staying devoted to the Lord at all times. Are you going to be devoted to the Lord, or are you going to be in and out with God? Which direction will you go?
